In response to the RFAI dated Nov. 5, 2013, regarding the Committees Amended Post-Special Election Report filed on 7/15/2013, the original report inadvertently omitted some Operating Expenditures. The report was due after a federal holiday, and some information was not immediately available to the Treasurer. When the omissions were noted, an amended report was filed. The committee has taken steps to ensure that this type of omission will not happen in the future.
